Date of manufacture: Victorian

Description

We are delighted to offer this lovely antique Victorian novelty 18ct gold brooch/pendant made c.1890. The brooch features a very intricate yet well crafted design of a buckle set with diamonds and pearls. The endearing and novelty appearance is distinctly Victorian and presents a wonderful combination of playfulness whilst also displaying an impressive level goldsmithing and gem setting. Modest & elegant in size and colour, it is ideal to wear with a variety of clothes in all seasons whether be it on a blouse or a coat lapel in the winter. Furthermore, a chain could be looped behind the pin to wear it as a pendant too (we would recommend using a stopper to ensure extra security). Ready to wear out of the box: All of our pendants also include the photographed thinner complimentary 9ct solid gold (modern) chain so that you can enjoy your newly acquired treasure straight out of the box. The pendant is unmarked as is common with articles of this period and as such we have tested it for gold indicating 18ct gold. All of our jewellery comes with a complimentary hard shell gift box with a velvet interior. Size & Total Weight 2.4cm x 1.4cm 4.16g /0.134 troy oz Condition: ...
