Description

Antique 1927 Waltham pocket watch and chain. The watch has a 7-jewel stem-winding movement, Traveler grade, which is working well. The movement is fully signed and it has the serial number, 26,231,079 which dates it back to 1927. The movement is protected by an inner cover which has some scratches and a small notch to the edge. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison Watch Case Company, main supplier of cases to Waltham UK. It has general light surface marks. The glass lens is in nice condition (some light reflection showing on the lens in the photos). The signed dial is in nice condition with original blued steel hands, a subsidiary seconds dial and outer minute track. The watch comes with a single chain, 16cm long including the T-bar and the clasp. The watch comes in a new presentation box.
