Price

Sold**Item Reference: SA1141457****Date of manufacture: 19th Century**

Dimensions

Height = 180 cm (70.9")

Width = 180 cm (70.9")

Description

A 19th Century three fold decorated screen. This highly decorated screen is painted with exotic birds in the style of Melchior d'Hondecoeter, who was a 17th century Dutch animalier artist. It is not known when this screen was painted but with its fabric panelled back with a gilt border, the actual screen dates from the 19th century. It is highly decorative and can be floor standing or wall mounted.
