Victorian 15ct Gold Turquoise and Split Pearl Ring, Birmingham, 1900

Price

GBP 765

| USD \$1,035 | EUR 895

Item Reference: SA1141848

Date of manufacture: 1900

Description

This is a striking late Victorian era ring set with natural turquoise and split pearls. Beautifully engraved shoulders flare out to form two points at either side of the head which has been channelled out to accommodate the stones. The ring is crafted in 15 karat gold and dates to 1900 with full set of hallmarks for Birmingham, year 1900 and maker's mark. Dimensions: size N (USA 7), head size – 15x9 mm, weight – 2.43 g. Condition: excellent antique condition, all stones original and in good order, no evidence of resizing or repairs. A superb item to own and enjoy!
