Description

A stunning, fine and impressive antique 4.50 carat amethyst, 2.70 carat diamond and 18 carat white gold, platinum set bracelet; part of our women's bracelet collections. This stunning, fine and impressive antique amethyst bracelet has been crafted in 18ct white gold with a platinum setting. The anterior face of the bracelet is embellished with a central oval faceted cut amethyst, encompassed with twenty pavé set eight cut diamonds, in a scalloped border. This central cluster design is flanked with two pierced decorated angular bracket arrangements, ornamented with twenty-two pavé set Dutch cut diamonds. These brackets each terminate with an Old European round cut diamond, collet set in relief. The anterior setting is embellished with two further oval faceted cut amethysts in a perpendicular arrangement, each encompassed with sixteen diamonds in a reflecting cluster array to the central gemstone. The feature setting terminates with further angular designs, incorporating six further eight cut diamonds, in addition to a collet set Old European round cut diamond to either end, completing the highly desirable design. The bracelet secures with a push fit clasp to the rev...
