Price

Sold**Item Reference: SA1142360****Date of manufacture: 16th Century**

Dimensions

Height = 77 cm (30.3")

Width = 38 cm (15.0")

Description

Even a tiny morsel of a once majestic tapestry has a great deal of charisma. The 'feuilles du Choux' or cabbage leaf tapestries are universally popular due to their lush, large leaves that give them their soubriquet. This small fragment, professionally mounted will definitely cheer up a little corner, somewhere in your home... 1'3" x 2'6" (Frame size)
