Description

Here we have a lovely Oak cased single fusee drop dial South Eastern railway clock, the side door carries the original SER brass number plate stamped 1089, the 12 inch dial has John Walker 1 South Molton St written on it, along with London 1089 S.E., records show that this clock was in use at Cannon Street station, and was previously in use at Queen Street station, Orpington. The clock has its original pendulum which is also stamped for 1089 and its original key, it runs perfectly and keeps good time. Size: 30cm diameter(dial) - 49 x 36 x 12cm Due to the size and risk of damage collection from our Hebden Bridge shop is preferable please feel free to contact us about a diesel only delivery charge.

Internal Ref: 8008
