Description

A super quality American solid sterling silver sauce ladle. It is hallmarked for STERLING along with the makers marks of Reed and Barton. I would date it to c1960. It has been beautifully made from thick gauge silver with a nicely decorated handle. It is in superb condition being free from dings splits distortions and repairs. It measures approx. 4.5 inches (11.3cms) long by almost 2 inches (5cms) wide and weighs an impressive 66 grams. A high quality well made piece.
