Description

An outstanding large circular antique inlaid mahogany dining table. This was made in England in around the 1930's. It is of superb quality and this is a beautifully elegant model, comfortably seating six people with a potential to seat up to eight. The solid mahogany top has stunning flame mahogany segmented veneers and cross banded edges, the top can be removed for ease of transport. This sits on a splayed solid mahogany base which has beautiful acanthus leaf carving in the centre and beading on the edges of the splayed legs, which terminate in brass hairy paw casters. We have had this recently re-polished, it is in excellent condition for its age. Width - 54 inches , 137 cm Depth - 54 inches , 137 cm Height - 30 inches , 75 cm
