Description

A magnificent, fine and impressive, large antique 5.50 carat opal, natural saltwater pearl and 8.31 carat diamond, platinum and 18 carat yellow gold set pendant; part of our antique opal jewellery collection. This magnificent, fine and impressive opal pendant has been crafted in platinum with an 18ct yellow gold setting. This large elongated quatrefoil-shaped, pierced decorated pendant displays a stunning feature central yellow gold collet set 5.50ct oval cabochon cut opal. This feature gemstone is encompassed with twelve pavé set diamonds, in a combination of Old European, eight and Dutch cuts. This diamond arrangement is segmented with four stunning natural saltwater pearls to the cardinal points; these pearls are incorporated into a square formation within the foliated frame. The further four natural pearls are each flanked with splayed foliate designs accented with pavé set diamonds and incorporate four individually collet set diamonds to the upper and lower portions. The outer circumference of this large pendant is further embellished with Old European cut diamonds, creating a scalloped border. This antique pendant is suspended from an 18ct white gold 45.72cm/...
