Description

A wonderful Art Deco figured walnut drinks cabinet, made in England and dating from the 1930's. This is of superb quality and has a very interesting bow fronted design, with a deep back gallery. The deep back gallery is designed to keep bottles in place, there is lots of storage space inside for glasses. It would also be useful as a bedside cabinet. The walnut grain patterns are gorgeous, and this has a beautiful colour tone. We have had this stripped and re-polished to a very high standard, the condition is superb for its age. Width – 41 cm , 16 inches Depth – 51 cm , 20 inches Height – 76 cm , 30 inches
