Description

Edwardian Mahogany Dressing Table A graceful Edwardian mahogany inlaid dressing table featuring an oval bevelled-edge mirror, elegantly suspended between two shaped supports. Below sit two petite jewellery drawers, ideal for storing smaller items, complemented by three graduated drawers - all adorned with decorative metal handles. The piece stands on classic tapered supports with castors for easy movement, combining function with timeless style. Its rich patina, developed beautifully over time, adds warmth and character, while minor surface marks and blemishes reflect its age without detracting from its overall charm. There is some crazing to the mirror - but this just adds to its aged charm! Solid, sturdy, and elegant, this dressing table offers both practical storage and refined design. A versatile piece that will blend effortlessly into a variety of interiors, adding an air of Edwardian sophistication to any bedroom.
