Description

Heals Edwardian Antique Garden Bench – Best Model. This is a beautiful, English country garden antique bench seat, made in solid teak by Heals of London around 1900-10. This is the best model they made, having decorative finials to both the slatted back rest and slatted arms. In superb, original and intact condition, all very strong. Just like the Heals antique garden bench we supplied for Monty Don's first ever RHS Chelsea garden. Dimensions Height: 90cm (35.71") Width: 137cm (54.37") Depth: 57cm (22.62")
