Description

Heals Amazing Antique Garden Dining Table & Chairs. This Heals of London 1920's antique teak garden dining set has never been used outside, so is in amazing condition. A great design as the four slatted teak dining chairs fit snugly underneath the square teak dining table when not in use, forming a neat cube which is ideal for smaller gardens, courtyards or balconies. This model is increasingly hard to find in such fabulous, original condition. A lovely Heals of London antique garden dining set in solid teak. If used outside, the teak timbers would go a lovely silvery colour. Dimensions Height: 73cm (28.97") Width: 91cm (36.11") Depth: 91cm (36.11")
