Description

Large Adzed Mouseman Circa 1930 Cheese Board This larger than usual, solid darker fumed oak cheese board has been in the same family since 1930, looking at it, it has not been used at all, as the surface is perfect. A nicer model having an adzed surface and unusually, around the edge too. The Mouseman solid oak cheese board handle protrudes up and the Mouseman signature carved mouse is on the handle, making its way down for some cheese. A lovely piece in excellent condition and a great colour, a larger and rarer model. Dimensions Height: 9cm (3.57") Width: 46cm (18.25") Depth: 26cm (10.32")
