Description

This cabinet is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. This cabinet would look well in an old or modern property in the corner of a living room, dining room or kitchen for any storage purpose. This cabinet has angled corners leading to one large door. The door has a lovely arched fielded panel with a twizzle knob to the left side to keep the door secure. There are shelves for storage and the shelves are beautifully scrolled. The top has a standard graduated cornice. The height is 105cm, the width is 78cm and the depth is 41cm.
