Description

This wardrobe is in good condition. We have professionally stripped and restored it and waxed it in a lovely antique brown bri wax. The wardrobe would look well in an old or modern property amongst similar antique pine furniture for storage. It would also look great in a large bedroom. This wardrobe does knockdown into many pieces enabling it to go up 100% of staircases. The wardrobe stands on square back legs and round turned front bun feet supporting the main section. There are two large doors. Each door has one panel with a carving to the top of the panel which is a nice feature. Behind the doors there is a hanging rail to the top with a hanging height of 180cm. This height is ideal for ladies dresses etc. There is a key that locks the doors. The top has a standard graduated cornice with breakfront corners. The sides are panelled. Please buy with confidence this is a cracking wardrobe. The height is 200cm, the width is 178cm and the depth is 74cm. The internal depth is 50cm
