Description

A wonderfully decorative pair of Victorian candlesticks in silver plate dating to around 1880. The design is superb, they are quite chunky in appearance, light-ish in weight as they don't have a weighted base. All the edges are crimped and the base decorated with a swirled fluted repousse design, complimenting the twisted columns. A wonderful look, in excellent condition, with a base diameter measuring 5 1/4" and standing 8" tall. A great look!
