Description

Beautiful pair of Art Nouveau single beds c.1900. Head and foot boards with shapely moulded walnut frames of organic form. Asymmetrical panels veneered in walnut with a lovely flower head detail inlaid in contrasting woods to the opposite corners. Note also the little leaves carved into the feet. A true pair with a moulded and veneered rail to one side of each bed whilst the other is plain oak, suggesting they were designed to stand side by side as a double bed with the plainer rails hidden and forming a symmetrical design across the two beds. To take 42" x 75" large single mattresses. Excellent colour and condition, cleaned and waxed in our workshops. Disassemble for delivery. Note we also have a matching pair of bedside cabinets sold separately.
