Description

Bring a touch of timeless character to your space with this beautifully crafted Victorian walnut button back armchair, dating to around 1880. With its elegant silhouette, carved detailing, and open arm design, this chair blends antique charm with a cool, curated aesthetic that works seamlessly in both vintage-inspired and modern interiors. Made from high-quality English walnut that's mellowed into a warm golden tone, the frame has been lovingly wax-finished in our workshop, enhancing its natural patina. It's solid, sturdy, and built to last - no loose joints here. Whether you're styling a reading nook, bedroom corner, or statement spot in your living room, this piece adds instant personality and quiet luxury. The upholstery is in great shape, with a softly worn-in vibe that tells a story without looking tired. A little wear on one arm pad only adds to its authenticity. If you're into mixing old-world craftsmanship with a contemporary lifestyle, this unique armchair delivers both comfort and character in spades. Height: 37 1/8 inches (96 cm) Width: 26 1/4 inches (67 cm) Depth: 21 1/3 inches (54 cm) Seat Height: 15 1/8 inches (40 cm)
