Description

Antique Gilt Overmantle Wall Mirror – Very Large 19th Century Gold Frame, Rare Vintage Statement Piece Add grandeur and timeless elegance to your home with this very large 19th-century antique overmantle mirror, featuring a beautifully ornate gilt gold frame. A rare design, this mirror makes an exceptional statement piece in period-style, vintage, or traditional interiors, whether placed above a fireplace, in a grand hallway, or as a focal wall feature. Crafted in the 1800s, the frame is solid and structurally sound, with no loose joints or evidence of woodworm, ensuring both decorative appeal and long-lasting integrity. The original antique glass is in good condition, displaying light oxidation across most areas, with medium oxidation near the edges for added visual interest, along with light scratches and minor age-related imperfections, all of which enhance its authentic character. Product Dimensions Overall Size: Height 125cm x Width 172cm x Depth 8cm Visible Mirror Area: Height 112cm x Width 148cm The gilt frame retains its aged and patinated finish, with some minor touch-ups, small losses, and refinishing. In good antique condition overall, the mirror shows typi...
