Date of manufacture: 1920

Dimensions

Height = 117 cm (46.1")

Width = 49 cm (19.3")

Depth = 43 cm (16.9")

Description

A nice example of an early 20th Century mahogany filing cabinet with 8 internal drawers and an attractive tambour front. The drawers have small brass label holders and the tambour front has a brass handle. It is a good quality piece with panelled sides and it comes with a working key. It is in very good condition and is certainly a usable piece. The tambour front slides smoothly and the key works, automatically locking the front when it is closed. The wood has a lovely patina and the drawers open smoothly and are generally clean and tidy. It is not without signs of age and use, some small marks and knocks but nothing detrimental and it displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers. Please get in touch for an accurate quote to your location.
