Description

A stunning, fine and impressive antique 14.28 carat aquamarine, pearl, 0.20 carat diamond, 11 carat yellow gold and palladium set drop pendant; part of our vintage jewellery collections. This stunning, fine and impressive antique aquamarine and diamond pendant has been crafted in 11ct yellow gold with palladium settings. The pierced decorated frame displays an impressive feature claw set 14.28ct pear faceted cut aquamarine. This feature setting suspends from a linear formation of three individually millegrain decorated, collet set Old European cut diamonds, totalling 0.20ct. The articulating drop suspends from an impressive pearl to the apex, completing the design. This antique aquamarine pendant is suspended from an 16' 15ct yellow gold chain via two ring loops to the apex of the pearl settings, securing to the reverse with a conventional spring-loaded bolt ring fastening. This antique pendant has been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 11 carat gold and palladium, with a 15 carat gold chain. This antique aquamarine and diamond pendant is supplied with an IDGL diamond and gemstone grading report card. A pea...
