Description

Standing an impressive 13 inches (33 cm) high, this impressive STAFFORDSHIRE TWO-HANDLED VASE or URN bears the mark of W. ADAMS of TUNSTALL. The PATTERN NAME is 'BRAMBLE' and it dates from circa 1860. The VASE is highlighted with gilt, with a particularly attractive beaded collar around the neck. How splendid it would look filled with a large bunch of English Country Garden Flowers and Foliage. There is an old surface chip to the foot rim beneath one handle which can be seen in the photograph if the side. This is not readily seen when viewed from the front. There is no restoration. At one time the Vase probably had a cover. Height: 13 inches (33 cm) Width: 14.5 inches (37 cm) Delivery within Mainland UK is included.
