Depth = 47 cm (18.5")

Description

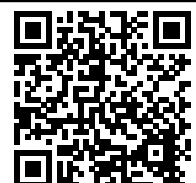

An outstanding antique Edwardian inlaid rosewood revolving bookcase. This was made in England, it dates from around the 1900-1910 period. It is of exceptional quality, with a beautiful and useful design, with mostly open shelving and one bank of three drawers. The rosewood has a gorgeous colour tone and grain patterns, there are wonderful satin wood inlays on the top and drawer fronts. This has lots of storage space for books and objects, the bookcase spins on a solid mahogany cross framed base with porcelain casters. We have had this recently re-polished, the condition is excellent for its age. Width – 18.5 inches , 47 cm Depth – 18.5 inches , 47 cm Height – 34 inches , 85 cm

Internal Ref: 10507
