Description

A Victorian wingback armchair professionally reupholstered in a geometric pattern teal fabric, with complimentary teal velvet to the back and sides. The chair has a buttoned back and an attractive curvy outline, with turned mahogany forelegs standing on the original ceramic castors. A comfortable and beautiful chair. Our upholsterer has done a fantastic job on this chair, and everyone that sees it comments on how nice it looks. Its definitely one I'd keep if I had the room for it! Condition: Newly reupholstered so in excellent condition. There are some minor marks and scuffs to the legs. The seat height is approximately 45cm Mainland UK delivery (excluding the Scottish highlands) is included in the price - if you would like a quote for delivery elsewhere, or if you would like to collect the item yourself, please get in touch.
