Price

Sold**Item Reference: SA1145073****Date of manufacture: 1930**

Description

Exceptionally fine and rare "The Master Incolor" cocktail Shaker. Stunning Art Deco piece. Fully signed. Also marked 'Made in England' and 'Patent Pending'. Approx. height 18.5cm. Good vintage condition: slight colour difference across the two halves, as is often the case with these cocktail shakers; some wear to the plating, most notably on the central band. Otherwise, still perfectly serviceable today. A painfully rare design classic.
