Description

Size: 6ft 0in x 6ft 10in (183 x 207cm). Antique Uzbek Gajeri / Ghudjeri kilim with outstanding colour and design. Circa 1900/20. This is a traditional manner of weaving among the Uzbeks of Central Asia. The designs are "typical" of this type, often referred to as "Gajeri", which refers to the technique of weaving, a brocade type weave with the dyed warps hanging loose on the back and brought to the front when necessary to make the design. This example has very bold graphic design and wonderful natural dye colours throughout. These are often woven in narrow strips and then stitched together. Excellent condition, very slight wear. Stock Number: DS-0289.
