Description

Size: 8ft 10in x 6ft 3in (270 x 190cm). Antique Ersari Turkmen main carpet from Southern Turkmenistan or Northern Afghanistan. Circa 1880. This is an interesting example of an Ersari Turkmen main carpet, the three rows of six large Ersari guls are separated by well drawn minor guls. The border is of a traditional Ersari design. The carpet has a clear bright orange / red colour palette with indigo blues. The carpet has warps of mixed horse and goat hair indicating a tribal origin. The carpet is in good condition with even wear and medium / low pile, there are a few areas of heavier wear, this is reflected in the price.. The carpet is suitable for normal domestic use such as a dining room or a living room. Stock Number: D-0698.
