STUNNING SET OF ENGLISH VICTORIAN SOLID STERLING SILVER SERVERS 1859 ANTIQUE

Price

Sold**Item Reference: SA1145124****Date of manufacture: 1850**

Description

A superb set of English Victorian antique solid sterling silver servers. One piece only is hallmarked for Birmingham 1859 however they are both silver and clearly a set. They have been beautifully designed with mother of pearl handles and are in superb condition being free from dings splits and repairs, and no chips cracks or repairs to the handles. The fork measures over 7 inches (18.2cm) long the other piece 8.75 inches, combined they weigh 108 grams. A very nice quality set.

Internal Ref: 37186
