Dimensions

Height = 85 cm (33.5")

Width = 94.5 cm (37.2")

Depth = 47 cm (18.5")

Description

An antique chest of drawers in golden oak, British, circa 1900. The layout comprises two short drawers over three long drawers, each with brass backplates and drop handles. The case is framed with fielded panels to the sides, and stands on shaped bracket feet. A slim top edge and subtle moulded details reflect late 19th-century vernacular design, making this a practical storage piece for bedrooms or living areas.

Internal Ref: 46963
