## Description

A superbly and masterfully carved set of four rosewood French chairs. These rosewood chairs are in their original condition and their very attractive original chinoiserie fabric is worn in more than one place, showing the original horse hair stuffing which can still be used and preserved. They look very attractive and fascinating like this and, as such, it would also be great to be able to display and use them as they are. Louis Philippe, first half 19th century French Seat height 47 cm Back Height 93 cm Seat width 48 cm Seat depth 48 cm Overall depth from against a wall 58 cm
