Description

This fine silver vesta is of an unusual rare small size. It measures Height 3.7cm x width 2.7cm x depth 1cm. It is a high quality very solidly made example. It is hallmarked for Birmingham 1920/21 by the famous silversmith William Hair Haseler. It is restrained in its decoration with bands of vertical lines in groups of three with a spaced single line between them. On the front face, there is a circular panel designed to customise the vesta with the owner's engraved initials. In this case, it is left plain. The lid opens on a firm spring loaded hinge to gain access to the space where matches would be stored. On the underside, there is a serrated section for striking. A very pleasing Vesta case in good original condition. Height 3.7cm x width 2.7cm x depth 1cm. English 1920 - 21. FREE UK DELIVERY. INTERNATIONAL SHIPPING IS AVAILABLE AT A COMPETITIVE PRICE.
