Description

A stunning, fine and impressive pair of antique 3.45 carat aquamarine and 0.60 carat diamond, platinum drop earrings; part of our antique aquamarine jewellery collection. These stunning, fine and impressive antique aquamarine earrings are crafted in platinum. The earrings are ornamented with an impressive feature pear faceted cut aquamarine, claw set to the terminals. Each stunning gemstone is suspended from an articulated linear formation of alternating collet set Old European cut diamonds and navette shaped pavé settings bearing Dutch cut diamonds. The linear drops are suspended from feature collet set Old European round cut diamonds to the apex of the setting, completing the design. These antique statement earrings for pierced ears secure to the reverse with a post and butterfly fastening. These earrings have been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as platinum. These stunning antique aquamarine and diamond earrings are supplied with an IDGL diamond and gemstone grading report card. These antique aquamarine and diamond earrings offer refined elegance and timeless appeal. Ideal as a March birthday gift, a brid...
