

SA1145489

George III Period Mahogany Hepplewhite Armchair c. 1770

Price

Sold**Item Reference: SA1145489****Date of manufacture: 18th Century**

Description

A fine quality George III mahogany armchair. . The back filled with a radiating design of carved honeysuckle centred with an oval reserve. The arms pierced and shaped in the Chinese Chippendale manner and the tapered legs united by a chamfered H stretcher and pierced fretwork spandrels. . Very heavy and solid without any weakness at the joints and with original timbers throughout. . There is an old and fine repair to the seat board and some small and old repairs to the oval carved reserve in the centre of the back. Shown in our photos. . Beautiful usable and comfortable. . Despite its weight the chair has a light and elegant appearance with a newly recovered gold silk squab cushion. . . Dimensions are: . 24.5 inches wide, 20.5 inches deep, 38 inches high. . Floor to seat is 17 inches without the cushion, and 18.5 inches with. . For metric please multiply by 2.5
