Description

Large and very decorative pair of Victorian turned column table lamps raised on square stepped mahogany bases, fully re wired and restored. Shown with a 20" diameter shade to give an idea of perspective, although I would have preferred to show it with a French drum shade rather than this more traditional style! The price shown is for the pair and also includes delivery within mainland UK. Measuring: 28 inches or 71 cm height to the bulb holder 3 1/2 inch or 9 cm column diameter 8 inches or 20.5 cm square bases 39 inches or 99 cm to the top of the example shade
