Depth = 23 cm (9.1")

Description

A Rather good Scottish country oak cased long case clock by Alexander Oliphant of Pittenweem, Fife. Alexander Oliphant Snr lodged with the much acclaimed maker John Smith of Pittenweem and given the place name on this clock one would assume that it was not made by his son (better known than his father) who lived and worked in Anstruther, Fife. Fully serviced and ready to go. Circa 1790 Standing 7' tall, 19" wide by 9" deep.
