Description

A striking Nineteenth Century portrait of a very handsome lady. This is an overpainted photographic print of good quality and in excellent condition for its age. It is signed "EH" and dated 1873. The lady - probably Viennese - wears a black dress, adorned with lace. She has pink flower in her hair and she carries a fan. On the back of the original wooden frame there is an original label from a framer (Alois Blaschke) in Vienna. There are a few signs of wear to the antique frame. The gilt oval slip is in good condition.
