Description

A Large Victorian Mahogany Chest of Drawers This is a good solid oak lined chest, the five drawer version like this one is becoming a lot more difficult to source these days, there are 2 short drawers over 3 graduated drawers. The chest has a moulded edge to the top and to the front of each drawer and it stands on small plinth, the drawers have turned bun handles. This is a good sturdy chest of drawers and the mahogany has a good rich colour, there are a few marks on the top otherwise fine. The chest stands 40" high, 21" deep and is 47" long. ST118
