Description

Antique silver Zenith pocket watch, 1928. The watch has a good quality 15-jewel stem-winding movement which, with snail cam micro regulator, which is working nicely. The movement is fully signed and it has the serial number 2,851,491 which dates it back to 1928. The movement is protected by an inner hinged cover which has details of the winding stem and the loop. The case is silver and there are hallmarks inside both of the case backs for 800 silver. The inside of the back cover also has the Zenith mark. The case is in very nice condition. There is a rose gold wash around the edge of the case, some age related rubbing which is quite usual on this style of case. The glass lens is in lovely condition. The signed dial is in super condition, just a light scratch between 10 and 11 which is difficult to see with the naked eye. The watch comes in a new presentation box.
