Description

18th Century Inlaid Walnut and Satinwood Chest of Drawers This is a wonderful looking piece, the chest is in Walnut the veneers are of the finest quality, they are excellently matched. The top of the chest and the drawer fronts have a satinwood bordered edge The Chest of Drawers has three short drawers at the top and three longer graduated drawers beneath. The chest has brass swan neck handles and it stands on a bracket footed plinth The chest is of very solid construction it has no creaks. The drawers run very smoothly because at some time in they have been repaired, not a beautiful looking job but they work well, the veneers on the top have a few pieces missing but never the less a beautiful Early Georgian piece The chest measures 36" high 41" wide and 21" deep ST119
