Description

A good quality Victorian copper coal scuttle. It is a traditional shape with a swing handle and a handle on the rear to pour the coal. It is very well made from heavy gauge copper with a rolled rim and neat seam and riveted detail on the handles. It is in good original condition and displays beautifully. There are no damages, splits or holes. There are some minor dinks and dents and signs of age and use but nothing detrimental. It has been lightly cleaned and polished and is ready for use. Approximate Measurements: Height to Lip : 17" / 43cm Height to Top of Handle : 20 1/2" / 52cm Width : 10 1/2" / 27cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
