Antique Georgian 14ct yellow Gold Engraved Split Ring

Price

GBP 850

| USD \$1,148 | EUR 995

Item Reference: SA1145921

Date of manufacture: Georgian

Description

One of the most incredibly versatile pieces one can have in jewellery collection, this Georgian period antique split ring still retained its beautiful and deep engraving even after all those years. She is in a remarkable condition, has been very well looked after and hardly any sign of wear. External diameter is 23mm and internal diameter is 18mm across. The opening is seamlessly incorporated into the beautiful engraving. This split ring can be worn as a ring too, it would be a finger size P (UK) or 7.5 (US). There is no marking, tests as 14ct gold. This collector's item is in excellent condition, with gift presentation packaging. Metal: 14ct Yellow Gold Weight: 4.03gm Condition: Excellent condition Dimensions: External diameter is 23mm and internal diameter is 18mm across by 2.5mm deep
