Description

A stunning, fine and impressive pair of antique Victorian 3.91 carat diamond and 15 carat yellow gold cluster drop earrings; part of our diverse diamond jewellery collection. These stunning, fine and impressive antique diamond cluster earrings have been crafted in 15ct yellow gold. Each earring is embellished with a suspended cluster design, ornamented to the centre with a stunning feature eight-claw set 0.59ct and 0.56ct Old European cushion cut diamond. The pierced decorated cluster settings are each embellished with a further eleven claw set Old European cushion cut diamonds. Each cluster design suspends from an individually claw set Old European cushion cut diamond to the apex, completing the design. These earrings, for pierced ears, secure to the reverse with a French hook fastening, with the addition security of a catch to the lower portion. These earrings have been independently tested using state of the art technology (Niton XL2 Analyzer) and verified as 15 carat gold. These impressive Victorian earrings are supplied with two IDGL diamond grading report certificates for the feature stones, in addition to an IDGL diamond grading report card for the supportin...
