Description

A large and elegant original antique Edwardian mahogany console / side table. This was made in England, it dates from the 1900-1910 period. It is really made and is a very useful size. The reeded top is beautifully shaped, the three drawers have fine hand cut dovetailed joints and the central drawer is felt lined with cutlery dividers. All the drawers have original brass handles & locks. The legs are tapered & sit on spade end feet. We have recently had this re-polished, the condition is excellent for its age. There is just some minor wear here and there remaining beneath the polish here and there. Width – 55 inches , 139 cm Depth – 21 inches , 53 cm Height – 34 inches , 85 cm
