Description

A beautiful long French oak country kitchen table with a lovely patina and colour, this has long drawers at both ends and is big enough to seat six. - Long drawers at both ends, with wooden knobs. - Tapered legs with canted corners giving an octagonal section. - 2 plank top with breadboard ends. - 2 metres long and relatively shallow, ideal for seating 3 either side. In good condition showing wear consistent with age and use. There are some minor signs of old woodworm in the drawer bases and the frame underneath, but this is to be expected for a piece of this age and it is no longer live.
