Description

n Elaborate Chippendale Revival Mahogany and Floral Marquetry Three-Train Musical Longcase Clock With Westminster and Whittington Chimes. This is an incredibly impressive clock measuring just under 9 ft tall making it an ideal feature for a grand hallway or any room in the home. This an extremely impressive longcase clock which has a superb eight day, three train musical movement which plays Westminster and Whittington Chimes. It chimes on the quarter hours on eight tubular bells with the hours striking on the ninth tube. There is a selector which allows either the Westminster and Whittington Chimes to be played. The brass arched dial has a silvered chapter ring and Arabic Numerals with a subsidiary seconds dial to the centre. The arch has three subsidiary dials, 'Strike/Silent', 'Chime/Silent', 'Whittington/Westminster', surrounded with pierced scrolling spandrels. The stunning Chippendale style case has an arched hood surmounted by an acanthus carved and marquetry inlaid cresting. This leads down to superb carved detailing around the hood door which is flanked by carved scroll work. Then to the sides of the hood door are lovely shaped fretted panels. The glazed t...
