Description

A beautiful Victorian mahogany bow fronted chest of 4 drawers. Crafted in rich, figured mahogany, this antique chest showcases a classic bowed front with striking grain patterns and original brass lion head ring handles. Each drawer is red cedar lined, a rare and desirable feature that adds a natural aromatic quality and repels insects—perfect for storing linens or clothing. Built with traditional dovetail joints, this chest of drawers reflects quality 19th-century craftsmanship. The drawers glide smoothly, and each retains its original keyhole escutcheon. The warm patina and subtle surface wear are consistent with age, adding to its authentic character. This timeless piece serves as a functional and elegant storage solution, suitable for both period and modern interiors. circa 1870
