Description

This dresser base is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The dresser base would look well in an old or modern property amongst similar antique pine furniture for storage. It would look great in a country kitchen as it is shallow. The dresser base stands on square back legs and round turned front bun feet supporting the main section. There are two doors. The doors have one panel with a moulding around the edge. There is a key that locks the doors. Behind the doors there is a shelf for storage. Above the doors is two drawers. Each drawer has a horizontal line, round turned wooden knob, is pine lined and has dovetail joints. The top is in good condition with a bull nosed edge. The height is 90cm, the width is 99cm and the depth is 44cm.
