Description

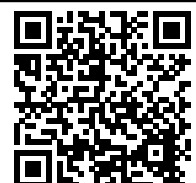

This dresser base is in good condition. We have professionally stripped and restored it ready to wax or paint. We can wax this in a lovely antique brown bri wax please email or telephone for a quote if you are interested. The dresser base would look well in an old or modern property amongst similar antique pine furniture for storage. It would look great in a small country kitchen as it is shallow. The dresser base stands on square back legs and round turned front bun feet supporting the main section. There are two doors. The doors have one panel. There is a key that locks the doors. Behind the doors there is a shelf for storage. There are fluted columns and carved corbels to the sides which is a nice feature. Above the doors is two drawers. Each drawer has a round turned wooden knob, is pine lined and has dovetail joints. The top is in good condition. The shelf inside is fixed. The height from the base to the shelf is 34cm and the height above is 29cm. The height is 96cm, the width is 111cm and the depth is 45cm.
